

KEJARIWAL INDUSTRIES

Premium Quality Glass Ampoules & Vials Since 1985

An ISO 9001:2015, ISO 15378:2011, cGMP-WHO, US FDA DMF, ISO 9187, ISO 8362 & HEALTH CANADA Accredited Company. Serving you since 1985 for your Primary Packaging requirements in Glass Ampoules and Tubular Vials

Kejariwal Industries, established in 1985, is a pioneer and quality leader in the manufacturing of Glass Ampoules and Tubular Vials in India. With over four decades of experience, we have earned a strong reputation for precision, reliability, and innovation in primary packaging solutions.

Our products are manufactured on modern machines and are widely used for the primary packaging of Pharmaceutical, Biotech, and Cosmetic products. We ensure consistency, compliance, and high-quality standards across our production processes. 30% of our energy consumption is powered by Solar Power since 2016.
